Summary: Not good at summaries so plz just read

1. Chapter 1

The first this I remember is waking up in this new world. The snow around me, everything white, trees covered in snow. I hear a voice. I look around, then I see the moon. "You are Claire Frostlyon. You are an immortal. You help bring Winter." I pick up my staff and walk a little ways when I see a fire pit. A village. I really don't know where I am, just know that I'm in a place call Burgess, in a place called Michigan. WOW, that's good for a start. I see a kid running straight at me. He runs right through me. OKAY! That's just plain, strange. Wait, Man in Moon did say I was immortal, so, that must mean I'm invisible also. Gee, thanks for the explanation MIM. not.

2. Chapter 2

"JAMIE! Look out!" Sophie yelled. Jamie turned just in time to see a snowball coming straight for him. WHAM, he falls. "Jamie, are you okay?" Sophie asks her brother. "Ya, I think I'm fine, just wait till I find out who threw that." "But, I don't understand, you used to believe in Jack Frost, and the Guardians. You used to love snow. How come you stopped?" Sophie questioned. "Because when you get older, you change your minds about children stuff. You think of it fake and weird. Like me." Jame answered. Sophie started to cry. "I didn't mean it like that. I didn't mean to offend you Soph. But that's part of growing up. One day you'll see." Jamie gave his nine year old sister a hug. She pushed him away. Jamie felt hurt in the inside. Maybe he should've kept his mouth shut.

Claire~

I watch Sophie, run inside crying. I wouldn't blame her. I concentrate and then, I transform into my mortal form. I don't look any different than my immortal self. Only difference is that people

can see me so, YAY! I let Sophie cool off. I walk to my favorite spot. A lake, near a forest. I sit on a branch when someone taps my shoulder. I slip back to immortal and see that it's the whole Gang: Summer Heat, Nora Colors, Patricia Luck, Lauren Flame, Joline Brosette Rose, Valorie Valentine, Blu Waters, Anima Furr, Holly Berry, Autumn Fall, May Flowers, April Showers, Hallow Ween, and Melody Song.
